

CIVIC

5 DOOR

HONDA

A CAR BUILT FOR DRIVERS

Completely re-designed and re-engineered, the new Civic 5 Door epitomises our innovative spirit and quest for technical excellence. The result is a car created with a unique personality and sporty soul, a car that is exciting to drive, refined, comfortable and sophisticated. Above all, it's a car built around one vital component. You.

Model shown is a Civic 5 Door 182ps VTEC Turbo Sport Plus in Rallye Red. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

EXTERIOR DESIGN

Undeniably distinctive, unmistakably sleek and sporty, the Civic's contemporary design is a unique blend of dramatic sculptural lines and smooth athletic curves. A car designed to grab attention and fundamentally, a car designed to be driven.

Model shown is a Civic 5 Door 120ps i-DTEC Turbo EX in Brilliant Sporty Blue Metallic with optional Technology Pack. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

In the UK, the Civic will be a right hand drive vehicle.

OUR NEW GENERATION ENGINES

We have created a range of new Earth Dreams Technology engines to give our latest Civic the sporty performance to match its advanced looks. You can choose between two refined turbocharged petrol engines: a powerful 182PS 1.5 VTEC or an efficient 126PS 1.0 VTEC. Alternatively, if diesel is your preference, there's our new 1.6 i-DTEC that delivers 120PS coupled with low emissions and high economy.

Having decided on your engine, next you need to choose your transmission. On the petrol models you can specify either a precise 6 speed manual or a responsive 7 speed CVT automatic, or you may prefer the 6 speed manual or 9 speed automatic diesel option.

The choice is yours.

Model shown is a Civic 5 Door 120ps i-DTEC Turbo EX in Brilliant Sporty Blue Metallic. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

FEEL PART OF IT

With its ergonomic driving position and new dual pinion steering system, the Civic provides excellent feedback and control, giving you an engaging driving experience. The suspension has also been configured for dynamic handling and features an independent Multi-Link system on the rear and a MacPherson strut set-up at the front. We've examined and rethought every aspect of the car, creating a new lightweight frame with high tensile material to save vital kilos, give greater body rigidity and add to new Civic's agility. All this technology has been engineered to work together to produce what we believe is our most advanced and sporty Civic ever.

CLASS LEADING SPACE

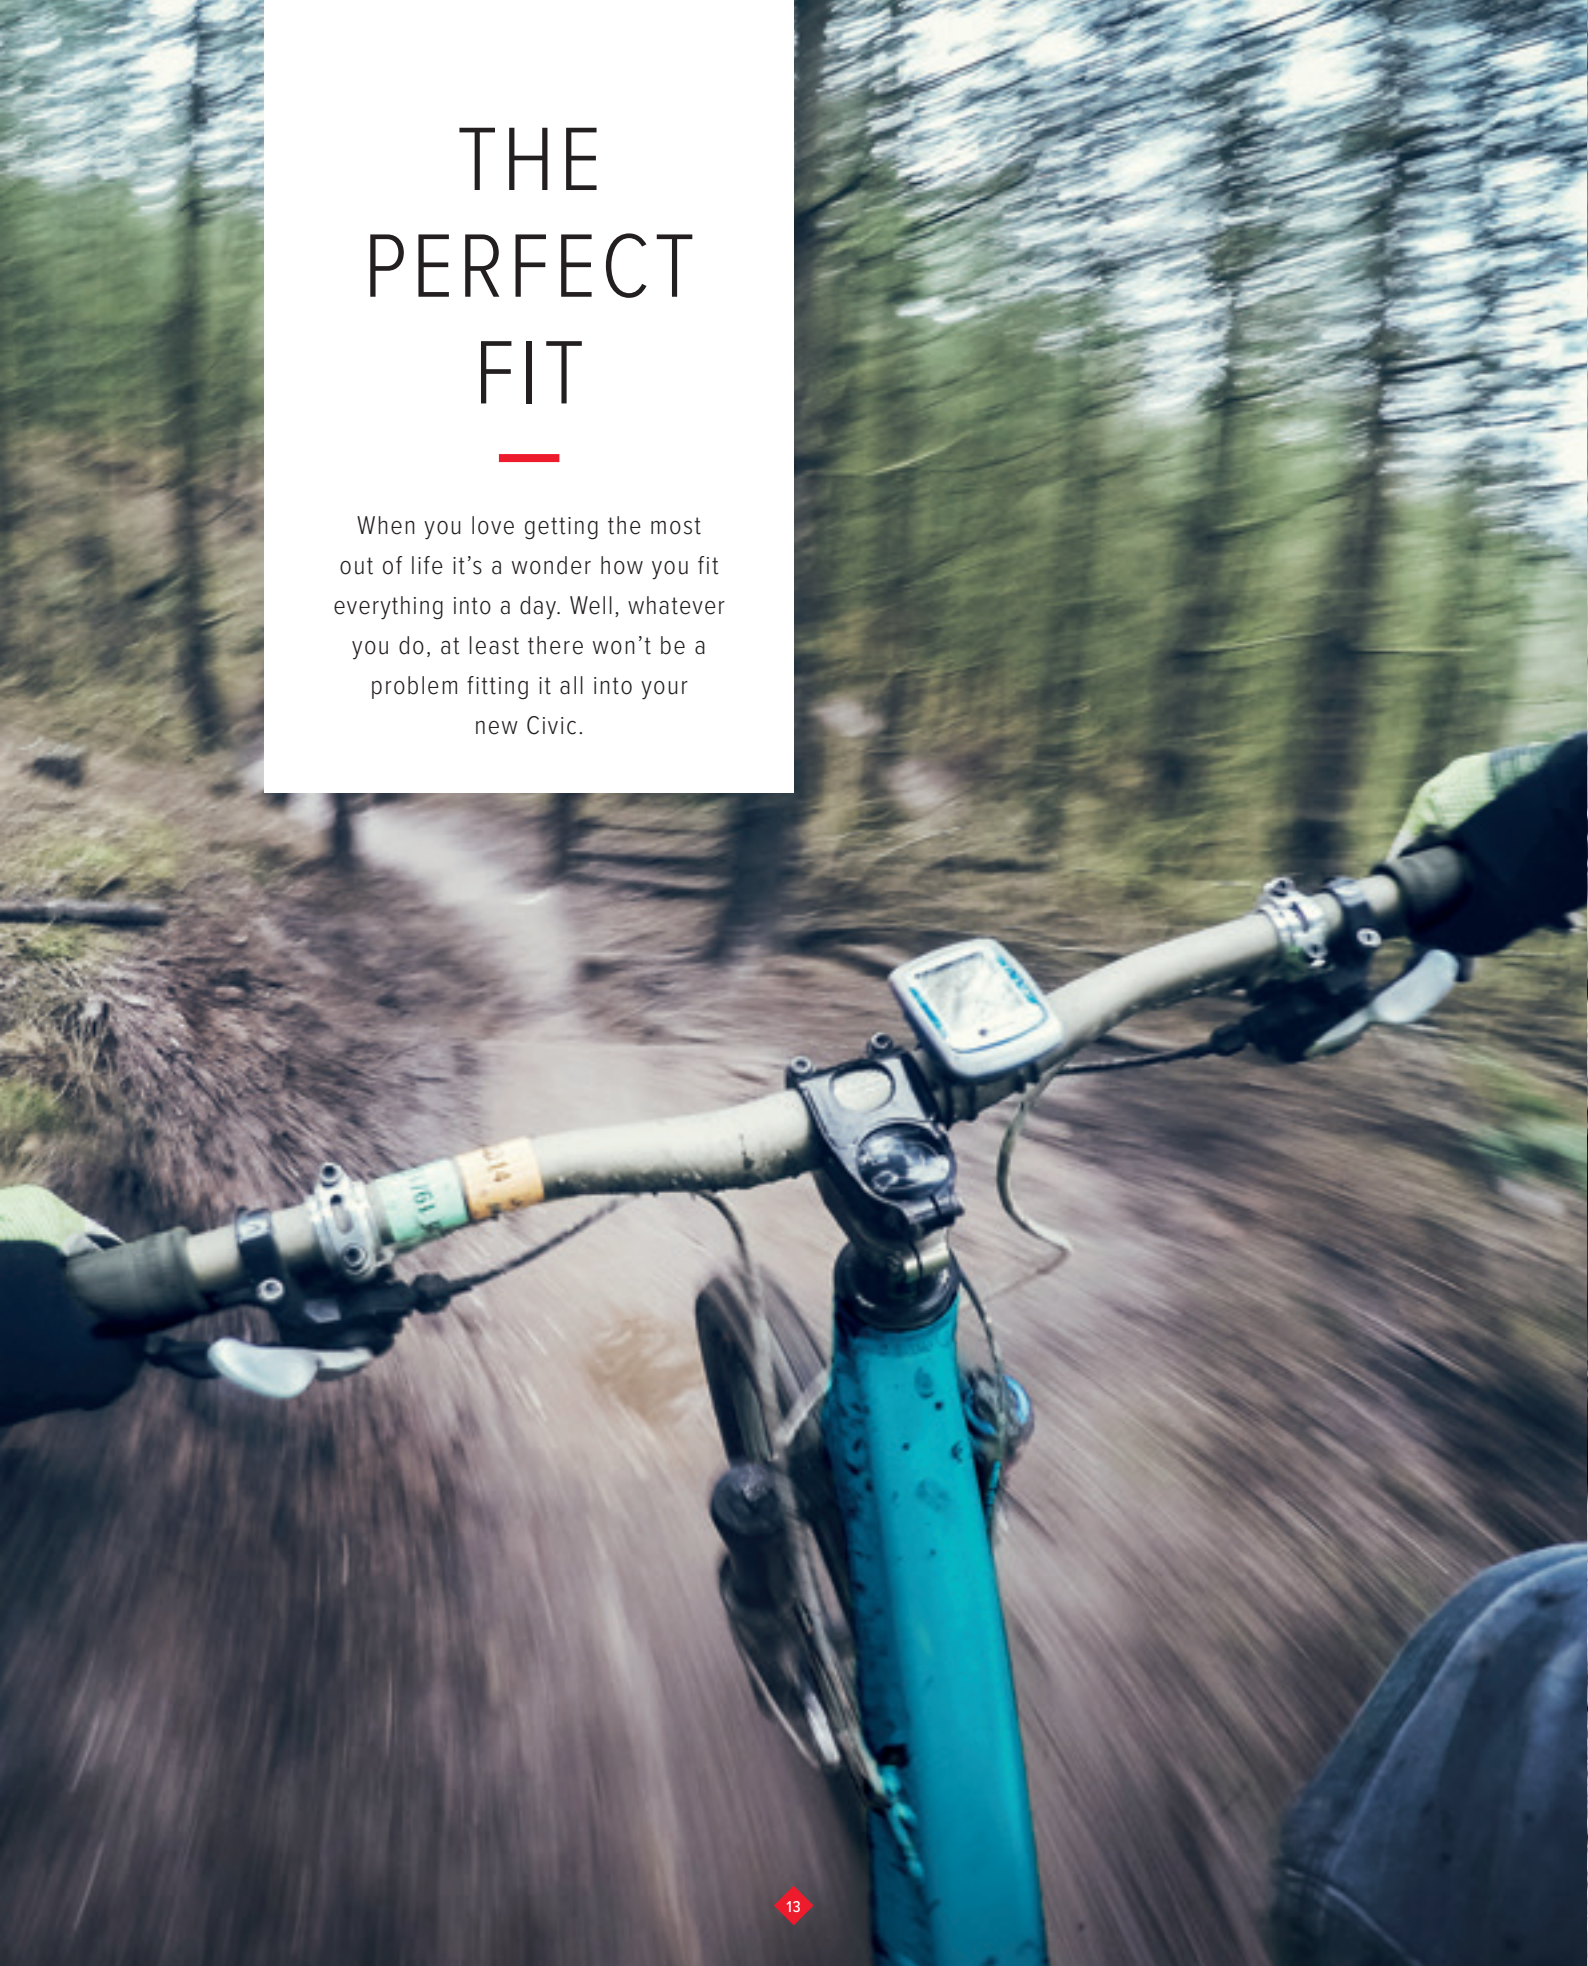

We wanted to design a car for the real world, a car that is one of the most spacious in its class and is flexible enough to take all that life throws at it. The Civic has many thoughtful features like a wide tailgate opening to make loading and unloading easier, versatile 60:40 split folding rear seats and a clever retractable and reversible tonneau cover that can be operated with one hand.

Model shown is a Civic 5 Door 182ps VTEC Turbo Sport Plus in Rallye Red.

In the UK, the Civic will be a right hand drive vehicle.

THE PERFECT FIT

When you love getting the most out of life it's a wonder how you fit everything into a day. Well, whatever you do, at least there won't be a problem fitting it all into your new Civic.

HIGH QUALITY AND HI-TECH

Surround yourself in comfort and quality with soft touch materials and premium details. We have included lots of helpful technology like our clever new 7" Honda CONNECT touch-screen infotainment system, dual-zone climate control, heated front and rear seats* and a new electronic parking brake, to make every journey that little bit more enjoyable.

*Honda CONNECT is not available on S and SE grades. Heated rear seats are standard on Prestige and optional on EX grades with Technology Pack only. For more information on which grades these and other features are available on, please refer to specification pages 61-66. Model shown is a Civic 5 Door 182ps VTEC Turbo Sport Plus in Rallye Red. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

YOUR SPACE

From your supportive, contoured seats you will see why the Civic has one of the most spacious cabins in its class, with a wide, sweeping dashboard, simple driver-friendly layout and great all-round visibility. We've also gone to great lengths to create a calm, quiet space so you can just relax and enjoy the drive.

Model shown is a Civic 5 Door 120ps i-DTEC Turbo EX in Brilliant Sporty Blue Metallic. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

18

THE NEW CIVIC SPORT

From its purposeful, muscular stance and twin centre exhaust pipes, the new Civic Sport looks just as powerful and assertive in the car park as it does on the road. Its aerodynamically honed body kit, along with dramatic rear lights and roof spoiler, add to its stunning aesthetics.

The Sport is one of three exciting grades available with the 182ps VTEC Turbo and is joined by the higher spec Sport Plus and the ultimate luxury of the leather upholstered Prestige.

Behind its distinctive black grille and powerful LED headlights sits our new 182ps VTEC Turbo engine which ensures it has the power to impress.

The sporty experience continues inside with exciting design features like red dial illumination, aluminium pedals, leather steering wheel and carbon effect detailing. All designed to make your heart beat a little faster, on any journey.

HONDA CONNECT

The Civic incorporates the new generation 7" Honda CONNECT in-car audio and information system* with DAB digital radio, Apple CarPlay and Android Auto™. The pre-installed, internet based Aha™ audio player also lets you connect to your favourite music, podcasts and news services.

*Honda CONNECT is not available on S and SE grades. For more information on which grades these and other features are available on, please refer to specification pages 61-66.

Model shown is a Civic 5 Door Sport Plus. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

KEEPING YOU CONNECTED

The Civic incorporates the new 7" Honda CONNECT in-car audio and information system* which keeps you in touch with all the things you love in life, like your music and your friends, all within one central touch-screen display.

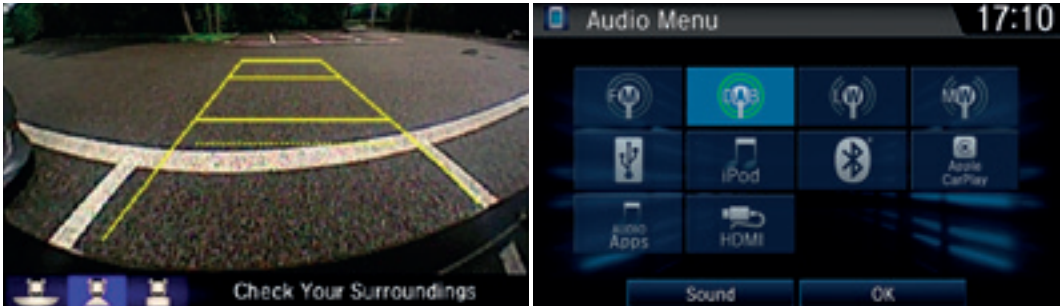

APPLE CARPLAY AND ANDROID AUTO™

You can seamlessly integrate your Android phone or iPhone to the touchscreen display, allowing you to make calls, listen to music and send and receive messages.

SATELLITE NAVIGATION

Integrated Garmin satellite navigation will make it easy to find your way and thanks to TMC (traffic message channel) updates you'll always be on the best route.

MULTI-ANGLE REAR VIEW CAMERA

Engage reverse and the rear view camera automatically comes to life on the 7" display screen with a choice of wide angle views and a top down view.

DAB DIGITAL RADIO

Enjoy digital quality sound and a broader range of stations, clearly displayed.

*Honda CONNECT is not available on S and SE grades. Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or mobile WiFi router. Data usage and roaming charges may result from using applications on Honda CONNECT. We recommend you check your mobile phone subscribed package. Internet browsing function can only be used when the car is stationary. For more information on which grades these and other features are available on, please refer to specification pages 61-66.

Only iPhone 5 or newer with iOS 8.4 or later are compatible with Apple CarPlay. To use Android Auto™, you need to download the Android Auto™ app from Google Play™ to your smartphone. Only Android 5.0 (Lollipop) or later versions are compatible with Android Auto™. Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries. Model shown is a Civic 5 Door Sport Plus.

HONDA SENSING

Honda SENSING is available on all grades and is one of the most advanced suites of safety technologies available, designed to keep you and your passengers safer.

Collision Mitigation Braking System

If there is a possibility of a collision with a vehicle or a pedestrian, this feature will alert you to the danger as well as reducing your speed to help minimise the severity of any impact.

Lane Departure Warning

If the car moves out of its lane without you activating the indicator, then alerts will flash and sound, to help bring your attention to correcting the lane drift.

Road Departure Mitigation

A windscreen mounted camera detects whether the car is veering off the road and uses the Electric Power Steering to apply subtle corrections to keep your vehicle in its lane. In certain conditions, it can also apply braking force.

Lane Keeping Assist System

Helps keep you in the middle of your lane, providing a less stressful driving experience by reducing the need for steering correction movements and driving effort on the motorway.

Traffic Sign Recognition

The Traffic Sign Recognition System identifies traffic signs and relays this information to you via a visual display. Two signs can be displayed at any one time.

Model show is a Civic 5 Door 126ps VTEC Turbo EX in Rallye Red.
*Low-Speed Following only available on versions equipped on CVT and Automatic transmissions. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

Intelligent Speed Limiter

Cleverly combines the existing adjustable speed limiter function with the Traffic Sign Recognition system to automatically set the speed limit to that which the Traffic Sign Recognition system detects.

Intelligent - Adaptive Cruise Control

This feature detects if a vehicle driving in an adjacent lane intends to cut in front of you and adjusts the speed of your Civic in advance. It also helps you maintain the distance between you and the car in front, so you don't have to change your speed.

Adaptive Cruise Control with Low-Speed Following*

This function maintains a set cruising speed and following distance relative to the vehicle in front of you. If the detected vehicle comes to a stop, the function will decelerate and stop your vehicle without you having to keep your foot on the brake. Once the car in front starts moving again simply tap the accelerator to resume the operation.

PUTTING YOUR SAFETY FIRST

We are committed to keeping you safe, which is why a great deal of clever engineering is at work in the new Civic.

Blind Spot Information*

Making lane changes and overtaking safer, it warns you when vehicles are detected in your blind spot by illuminating a tell-tale light in your door mirror.

Cross Traffic Monitor*

When reversing, the Cross Traffic Monitor can detect approaching vehicles from either side and warns the driver of imminent danger.

Vehicle Stability Assist

Vehicle Stability Assist with Traction Control monitors grip and calculates the precise amount of power or brake force needed to enhance control whilst accelerating, braking or cornering.

Deflation Warning System

The tyre deflation warning system lets you know if your tyre pressure is incorrect. It can, for instance, give you advanced warning of a slow puncture.

Advanced Compatibility Engineering

Advanced Compatibility Engineering body structure distributes frontal impact energy more evenly throughout the vehicle, helping protect passengers.

Whiplash Lessening Front Head Restraints

In the event of a collision, these front head restraints and 3-point ELR seatbelts help keep passengers safe and secure and reduce the likelihood of whiplash injuries.

*For more information on which grades these and other features are available on, please refer to specification pages 61-66.

S

SPORT LINE

Based on the Civic SR, the Civic Sport Line is enhanced by an aerodynamically honed body kit, including front spoiler and side-skirts. Striking details complete the look, with stylish satin black 17" alloys, front grille, window surrounds and door mirror caps.

The sporty theme continues inside its spacious and well equipped cabin, where you will find contoured leather seats with red stitching and power lumbar support. The Sport Line is available with our 1.0 VTEC TURBO engine with a choice of manual or CVT transmission, so you can immerse yourself in the totally engaging drive.

For full specification on the Sport Line, please refer to pages 61-66.

BLACK LINE AND ORANGE LINE

Express your individuality and enhance the sporty nature of your Civic with these dramatic lines. Accessories can also be purchased separately.

BLACK LINE

Black Line includes: Front Skirt, Side Skirts, Rear Diffuser and Mirror Caps.

Images include optional 17" C11701 alloy wheels.

ORANGE LINE

Orange Line includes: Front Skirt, Side Skirts, Rear Diffuser and Mirror Caps.

Images include optional 18" C11802 alloy wheels.

SILVER LINE

The new Civic Silver Line is a sporty and stylish new addition to the Civic range. It features unique Liquid Silver details including a front skirt, side skirts, rear diffuser and mirror caps. Dramatic 18" CI1803 alloy wheels* finish the look, with a diamond cut A-surface, silver windows and machined look centre cap with chrome H-mark. These striking details ensure the Civic Silver Line will get noticed wherever you go.

*Wheels sold separately.

SPORT AND DESIGN OPTIONS

TAILGATE SPOILER

Add an extra competitive edge to the rear of your car with a tailgate spoiler.

SPORTS PEDALS

Aluminium sports pedals add a true sporty feel to the interior of your Civic.

17" CI1701 ALLOY WHEEL

Features a diamond cut A-surface with a shiny clearcoat, Gunpowder Black windows, full painted (Black Pearl) centre cap and a shiny chrome H-mark.

18" CI1804 ALLOY WHEEL

Features a diamond cut A-surface with a shiny clearcoat, Gunpowder Black windows, machined look centre cap and a shiny chrome H-mark.

18" CI1802 ALLOY WHEEL

A multi-tone alloy that has a Tuscan Orange A-surface with a shiny clearcoat, Gunpowder Black windows, machined look centre cap and a shiny chrome H-mark. It also features a machined ring behind the spokes, which accentuates the size and depth of the wheels.

18" CI1801 ALLOY WHEEL

Finished with a diamond cut A-surface with a shiny clearcoat, Gunpowder Black windows, machined look centre cap and a shiny chrome H-mark. It also features a machined ring behind the spokes, which accentuates the size and depth of the wheels.

TECHNOLOGY

Keeping you connected and your passengers entertained.

TABLET HOLDER

Fits any tablet from 7" to 11.6". It has a neat tiltable feature so it can be adjusted to the best viewing position.

HONDA 3D SOUND SYSTEM

Create a virtual concert hall inside your Civic by installing this CDP (Compact Digital Processor) unit. It's like listening to your favourite artists live.

WIRELESS PHONE CHARGER

The Honda wireless charger kit ensures your compatible smartphone never runs out of power. Simply place your smartphone on the integrated charging mat for effortless charging without the hassle of wires.

WINDSHIELD COVER

A shield against the elements. This windshield cover will protect the mirrors and front side windows from heavy weather when your car is parked outside. Features the Civic logo.

PROTECTION & SAFETY

A range of accessories designed to protect your Civic.

PREMIUM PACK

The Premium Pack includes a range of practical and stylish options specifically designed for the Civic.

Pack includes: Elegance Floor Mats, Doorstep Garnishes, Front and Rear Mudguards (not shown) and a Boot Step Protector. Accessories can also be purchased separately.

TOURING

Tow bars, dog guards, roof boxes and boot mats, everything you need to get the most out of life and the most out of your Civic.

DETACHABLE TOW BAR*

With this detachable tow bar, you can tow your caravan or trailer with ease and remove it when not in use. A Fixed Tow Bar is also available.

ROOF BOX

Make the most of the space inside your Civic by putting luggage in this stylish and lockable Thule roof box. Available in: 410L, 400L and 320L capacity. For cars with a non-glass roof.

CARGO PACK

Protect your Civic from mud, scrapes and scratches whilst keeping things organised and secure.

Pack includes: Boot Tray with Dividers, Front and Rear Lipped Rubber Mats and Boot Sill Decorations. Accessories can also be purchased separately.

THULE BICYCLE CARRIER*

Made by Thule, certified by Honda. This accessory carries two bicycles, is easy to install, has a tilting function for easy boot access and an anti-theft locking system. Also available as EasyFold version which folds for storage.

DOG GUARD

The dog guard keeps your pets safe by separating the rear passenger area from the luggage compartment. It's a must for those who have pets and fits snugly between the rear seat back and roof interior.

COMFORT & INTERIOR

Add to your driving experience and make life a little more comfortable.

This image has been enhanced for illustrative purposes

ILLUMINATION PACK

The Illumination Pack uses a combination of subtle blue lights to give an ambient atmosphere to the inside of the car. **Pack includes:** Blue Front Ambient Footlight, Illuminated Doorstep Garnishes and Blue Lining Illuminations. These items are also available as individual accessories. A red Illumination Pack is also available on the Sport grade.

HONDA CHILDSEATS

Honda genuine childseats offer superior protection for your child from birth to 12 years, with two installation options - ISOFix, or 3-point seatbelt.

ELEGANCE FLOOR MATS

These elegant and comfortable fitted carpets, with black nu-buck binding, feature a woven Civic emblem. **Includes:** Front and rear mats.

♦ Standard - Not available

*The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Figures stated are based on a standardised test cycle and may not reflect real world driving, therefore they should be used for comparison purposes only. Customers should only compare vehicles tested to the same technical procedures. There is a new test for fuel consumption and CO₂ figures. The CO₂ figures shown however, are based on the outgoing test cycle and will be used to calculate vehicle tax on first registration. You can find out more about the changes bought in by WLTP at <http://wltpfacts.eu/>.

*Maximum towing weights are based on a 12% gradient and are tested in accordance with EU Regulations.

◆ Standard - Not available ○ Part of Technology Pack

*Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or mobile WiFi router. Data usage and roaming charges may result from using applications on Honda CONNECT.
Only iPhone 5 or newer versions with iOS 8.4 or later are compatible with Apple CarPlay. To use Android Auto™, you need to download the Android Auto™ app from Google Play™ to your smartphone. Only Android 5.0 (lollipop) or later version are compatible with Android Auto™. We recommend you check your mobile phone subscribed package. Internet browsing function can only be used when the car is stationary.

Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries.

**Please ask your dealer for a list of compatible Bluetooth™ phones, pairing procedures and special feature compatibilities.

^ΔAlways use the recommended USB flash memory device. Some USB memory devices may not work in this audio unit.

FUEL ECONOMY & EMISSIONS - WLTP* COMBINED RANGE				FUEL ECONOMY & EMISSIONS - (NEDC-EQUIVALENT)* COMBINED RANGE

DREAMS REALLY DO COME TRUE

Dreams can be powerful, they push you to achieve more, to explore new ideas, new technologies and uncover new ways of solving problems.

They can be the inspiration to design and build a true supercar like the dramatic NSX. Dreaming of a better world for people to enjoy has given life to a humanoid robot called ASIMO, taken flight with HondaJet and created some of the most popular motorbikes on the planet.

The knowledge we gain from all the things we do and all the things we learn, goes into everything we make, just like the Civic.

Models shown are Civic Type R GT in Championship White, Civic 5 Door 1.5 VTEC Turbo Sport Plus in Rallye Red and Civic 4 Door 1.5 VTEC Turbo Executive in Polished Metal Metallic. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from them on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your model selection is dependent upon one of the features advertised.
